### Kindergarten Journeys to the Cross

The kindergarten kiddos have been learning about all the things that happened to Jesus that first Good Friday by creating their own Stations of the Cross book. Beginning next week, they will take a special look at Holy Week, with some really cool art projects for each of the special days, including a free standing replica of The Last Supper.

## Sports Update

**Track:** Please ask your son or daughter for the workers schedule for the relays on April 27. ALL parents are asked to help if you have a child involved in extracurricular activities. Please note at the end of the relays, we will need to pick up the grounds. Relays run from 10:00am until around approximately 3:00pm. Please pray for a great day of track and field action with 20 teams involved. This is a major fundraiser for our athletic program. Thank you and see you on April 27.

**Bowling:** Our bowling team competed in the state bowling tournament last Friday. Anna Schnetzler bowled a season high game 179. We did not advanced to the second day but our kids competed. Thank you to Dennis Wessel and Dave Fitzgibbons for your service to our bowling team.

## St. Mary's Food Tent

Please take a moment to sign your family up. We are asking that each family sign up for 2-4 shifts please. Help is especially needed on Friday and Saturday nights. If you have not worked a Friday or Saturday shift before, this is the year to step up and help on those days. The money raised over these 4 days covers much of the PTO budget for the year. The festival dates are June 19-22. Questions? Email [st.marys.food.tent@gmail.com](mailto:st.marys.food.tent@gmail.com) or contact Nicole Matthews at 712-5206. Thank you for supporting St. Mary's School!!

## Junior High Religion

All students in the upper grades were blessed to attend the Chrism Mass at the Cathedral Tuesday. It was a beautiful mass. The seventh grade and eighth grade students worked hard preparing for the Living Stations. They did a spectacular job and many people were moved to tears thinking of how our Lord suffered out of love for us! The seventh and eighth grade also went to Snyder Village and colored Easter eggs with their new friends. The sixth graders have been working hard learning about the Wisdom Literature in the Bible. They found their favorite proverbs passage and created a lovely poster for it.

## Last day of School/Busing

The last school day of the 2018-19 school year will be on Tuesday, May 21. On that day there will be no afternoon bus service as we get out at 11:30. However, there will be morning bus service for students who ride buses.

## Shadow Day

St. Mary's invites all your friends, going into K-8, and their parents to our "Shadow days". This is an opportunity for your friends to come see what our school is all about and experience what it would be like to be a part of our "Falcon Family". Our shadow days will be Friday, April 26 and Thursday, May 2. You can contact our school secretary, Mrs. Harper at 367-2528 to schedule the day that works best for you. We look forward to meeting your friends and family.
