Parent/Student Handbook

Quite a few parents have not read and sent in their signed handbook form that was due last week. All parents of K-8 students need to read and sign the form. Thank you.

St. Mary's School Parent/Student Handbook is located on the school's webpage—STMFALCONS.com. Go to parent resource tab at the top of the page, scroll down to parent's forms & resources, open handbook.

Please take time in the next few days to review the Parent/Student Handbook. We have attached a verification page that you can print and sign.

Busing

Even though Metamora Grade will be starting back to school on Monday, there will be no bus service at this time. They are still trying to figure out the schedule. We will let you know when it is available. Thanks for your patience.

No School

There is no school on Monday, Oct. 12 in observance of Columbus Day or Tuesday, Oct. due to Distance E-Learning training.

Pilot E-Learning Day

On Tuesday, October 13, St. Mary's School will conduct a "pilot" Distance Learning Day in the event the school is required to go Distance Learning in the future. K-4 students will receive instructions via email to parents on their assignments and activities. Junior high students should log onto google classroom. Student will not be required to attend school in-person. In-person instruction will resume on Wednesday, October 14.

Parents are asked to create an appropriate learning environment and let the school know if you have internet connection problems or if a computer is needed for home loan.

Students will be expected to complete their work in compliance with individual classroom expectations.
